

Fees are based on our One-Time Charge System

We have no hidden costs, nor do we attempt to add extra charges for “maintenance fees”, “search engine submissions” or other so called “must-have services”. We simply provide a valuable advertising service that promises online exposure and increased traffic to your website.

Project Expenditure

Payable to Nirvana Info Com Inc

Confidentiality:

To Our Client: All information relating to client that is known or ought reasonably to be known to be confidential or proprietary, or which is clearly marked as such, will be held in the strictest confidence and will not be disclosed or used by Nirvana except to the extent that such disclosure or use is necessary to the performance of the development services.

From Our Client: All information relating to Nirvana that is known or ought reasonably to be known to be confidential or proprietary, or which is clearly marked as such, will be held in the strictest confidence and will not be disclosed or used by client except to the extent that such disclosure is used within the boundaries of their company confidentiality.

Ownership of Intellectual Property:

Nirvana thereby releases client the title and interest in any intellectual property created by Nirvana for the client; provided that full payment for the cost of development or services has been received in pursuant to this agreement

Limitation of Liability:

In no event will Nirvana be liable for any loss of profit of revenue or for any other consequential, incidental, indirect or economic damages incurred or suffered by the client. Any claims of any kind arising as a result of or related to this agreement, or to any act or omission whether in contract, tort or otherwise, will not exceed the Project Expenditure.

Parties, in consideration of the mutual convenience set forth in this Agreement, agree as follows:

- Website
- SEO
- Website & SEO

Website: The design of a Website is based on information and data supplied by Client to design and draft a Website suitable to be placed by Nirvana on the Internet.

SEO: Optimization of your website will guarantee you increase visibility online and build rank on Search Engines with key words related to your business.
